## Frequently Asked Questions

### What are the costs of using your service?

You only pay the regular rate of a 902-number, 7.2 ct per minute.

### How do I pay the costs of calling?

The costs for our access numbers are settled through your regular provider (ie. Telefonica) account.

### How can I program your number in my phone?

1. Create a contact and enter 902570573
2. Program a Pause (Check your phone manual or contact us)
3. Enter the full UK number: 0044... and enter a hash sign (#)

The result will look like: 902570573P00442012341234#

### I have more questions, how can I reach you?

To keep our rates as low as possible we don't have an expensive call centre.

Simply send us an email at [info@callhome.co.uk](mailto:info@callhome.co.uk) or visit [www.callhome.co.uk](http://www.callhome.co.uk)
